

# Everything You Need To Maintain And Grow Your Multi-Site Brand

Apex is your one-stop-shop partner to take any project from  
Point A to Point B

# Everything You Need To Maintain And Grow Your Multi-Site Brand

## Program Management

Add the program design, planning, and problem-solving bandwidth by hiring Apex's experts to lead programs from cradle to grave. We'll act as an extension of your team and take any challenge you're facing and design a new initiative, cyclical program, or custom rollout solution - and then carry it to completion.

## Surveys

Radically simplify obtaining surveys and watch your stores become an immersive digital experience with our white-glove nationwide survey service.

## Rapid As-Builts

Take the headache out of obtaining as-builts. Get accurate as-builts nationwide delivered quickly and at scale for 50-20,000+ stores.

## Project Management

Our seasoned PMs are communication ninjas and multi-site maestros - they keep everyone in sync, create detailed plans, and crush surprises.

## Manufacturing

Access immediate design + manufacturing bandwidth to create custom fixtures and components needed to keep your projects moving forward.

## Logistics

Reduce overhead costs and delays when you activate Apex to simplify your supply chain and handle procurement, consolidation, or shipping services.

## Construction

Execute at high speed with Apex's self-performing team delivering multi-site rollouts, remodels, refreshes, and NRO/NSO shell buildouts.

## Installation

Installation of fixtures, equipment, signage, digital upgrades, and special initiatives bring your better customer experience to life.

## ApexView PM Platform

A customizable central hub to track projects live, access portfolio-wide data, and more so you can know anything, about any site, at any time.
